

Know more, sell more

Always have the latest information at your fingertips so you can immediately capitalize on opportunities. The eKEY turns you into a mobile expert and makes you more productive.

Saving time every day

The Supra eKEY Professional works for the real estate agent like cell phones and email work for everyone – saving time and keeping people connected. Agents who use the eKEY tell us they save at least 30 minutes a day. That's three weeks a year!

Using a PDA or smartphone as a key

Over 30 different handheld devices have been approved for use as an eKEY. Supra automatically sends vital data to your eKEY every night. Updated showing and MLS data is loaded and waiting for you the next morning.

Go wireless for increased efficiency

If you choose a smartphone you can update your key, receive listings, showings and more any time, any place. (Wireless option availability varies by Association.)

Connect People and Information to Increase Sales

Nurture client relationships with a quick response

Meet your clients' ever-changing needs – every day.

- Automatically retrieve fresh MLS information every night.
- Custom search listings by MLS number, street address, buyer needs.
- Find other agents' latest contact information – even if an agent has recently moved offices.
- Receive fresh showing information every day.
- Get electronic notes from agents who have shown your listings indicating level of client interest and saving you time on follow-up calls.
- Program KeyBox access hours, even custom hours, at the time you list a property.

- Beam specific showing notes, listing highlights and your business card into your iBoxes.
- View maps at the tap of a button.
- Calculate mortgages on the spot.
- Change your own shackle codes.
- Track your KeyBox inventory by number, shackle code and address.
